

PARENT E-MAIL ADDRESS REQUEST FORM

In an attempt to improve communication with our parents, King William High School maintains an address book for e-mail communication and mass mailings. We encourage all parents to participate by sharing e-mail addresses with us. (E-mail addresses will only be accessible to the administration, faculty and staff members.)

With your participation, you will receive periodic e-mails regarding report card distributions, important dates, revisions, and even schedule changes. Also, we will encourage teachers to communicate with you via e-mail. (Please note that you may access faculty e-mail addresses via the high school's website at www.kwcps.k12.va.us/kwhsindex.htm.) Again, your participation is strictly voluntary but encouraged. Thank you for your support!
