

Parent Resource Center

What does the Parent Resource Center do? We...

- ⇒ **Serve:** all King William County families, school staff, agencies and the community placing an emphasis on children with special needs.
- ⇒ **Provide:** support through listening and problem solving with individual families.
- ⇒ **Maintain:** a lending library of books, videos, DVD's, journals, educational games and pamphlets to enhance parenting and family interactions and gain understanding of all children.
- ⇒ **Promote:** a working relationship among parents, school staff and the community that fosters successful partnerships to increase educational opportunities for all children.
- ⇒ **Offer:** training workshops and resources for parents and school staff for building positive parent/school partnerships.
