Dear Parents,

King William School Nutrition offers MyPaymentsPlus ([www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com)), as an online service that provides you the convenience and information you need to manage your student's meal account. This system speeds up serving lines in the cafeteria, eliminates the need to send checks to school or worry about lost or forgotten lunch money, and ensures that your child will receive a nutritious meal.

At no cost, MyPaymentsPlus allows any family to:

- Create a free, secured account to **manage all of your student's accounts**
- **Check your student's account balance 24/7 online or on your phone**
- **Monitor** the items your student has been purchasing in the cafeteria
- Create settings to **receive email notifications** when the account reaches a low balance
- Download the FREE mobile app for iPhone, iPad and Android for payments on the go!

Both efficiently and securely, MyPaymentsPlus allows any family to:

- **Make a prepayment** into your student's meal account using a credit or debit card at [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com). Funds deposited through MyPaymentsPlus are usually available for student use within a matter of minutes. (Fees assessed, per transaction, as percentage of dollar amount deposited)
- Create **Set A La Carte Spending limits for your student(s)**
- settings to **automatically replenish** your student's account when it reaches a low balance

For the 2019-2020 school year, we strongly encourage all parents (even if you do not prepay for your student's meal account) to create an account at no cost through [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com).

To sign up, simply visit: [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com) and click on "Register a Free Account." You will need your student's ID number to complete registration. If you don't know your child's student ID, please contact your child's school's cafeteria manager, or the School Nutrition Office to obtain this information. **Once you finish registration, you may log-in to begin managing your student's meal account instantly!**

For those who do wish to prepay into their student's meal account, MyPaymentsPlus offers several convenient ways to do so by visiting [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com), or downloading the free mobile app.

We consistently strive to find new and better ways to serve our students and our families, and I thank you for partnering with us in this effort.

Best Regards,

**Sherri Harris**  
Director of School Nutrition  
King William County Public Schools
